Overview

The 2022 South Australian Masters Games will be held in the Tatiara Council area, and it is expected that more than 1,300 competitors will transcend the region to compete in the 27 sports on offer. Cycling events are being hosted in and around Bordertown and will include an Individual Time Trial, Road Race and Criterium.

This guide will give you all the information needed to register and compete in the games.

The Tatiara Council has made the cycling events the premium events of the 2022 Games, with prize money up for grabs in the Teams Category! Get your mates together, register individually and nominate your team. The more people you have on your team, the better your chances are of winning.

The Cycling schedule will start with the Time Trial to test your individual time, with the road race in the middle to give you a bit more of a social race and ending with a fast paced short course Criterium at the streets of Bordertown.

How to Get There

Bordertown is approximately 3 hour's drive from Adelaide's CBD. Bordertown is almost on the South Australian and Victorian Border. We suggest you book accommodation as priority as it is busy hub and accommodation in Bordertown will be snapped up quickly. Alternative accommodation will be available in the surrounding towns, which are in close proximity to Bordertown.

Accommodation can be sought from Caravan parks, Motels, Hotels, Inns and BnB's. There is so much to choose from but you do have to get in quick.

Licence Requirements

Cycling events at the 2022 SA Masters Games are open to riders with an AusCycling All Discipline Race Membership. You can join up and participate in most cycling training and racing offered by AusCycling and affiliated clubs across the country here: <https://www.auscycling.org.au/membership/race-all-discipline>.

If not already, please consider joining Port Adelaide Cycling Club as a way of thanking them for providing timing services to the Games.

Alternatively, you can purchase a [7 Day Event Licence](#) for the Games. These memberships are valid from the date of purchase, so you will need to sign up for this licence no earlier than Monday 4 April. Use your email address as a membership number when registering for the Games in EntryBoss, and bring along proof of purchase to the Games.

Event Entry

Registrations are to be made via EntryBoss at <https://entryboss.cc/races/9347>. You will need to create an account if you haven't already got one. A Games Registration fee of \$50 will be added at check-out so it's a one stop shop for all your cycling events. We are offering a sliding scale for entries with the option to register for one, two or all three events. A single cycling event will cost \$25, two will be \$45 or you can enter all three events for \$60.

Entry Fees	
SA Masters Games Registration Fee	\$50
Entry fee - 3 Road cycling events	\$60
Entry fee - any 2 road cycling events	\$45
Entry fee - single road cycling event	\$25

Age Categories

Competitors must turn 30 years of age prior to the commencement of the Games on 8 April 2022. Proof of age will be required at registration by all competitors by means of photo ID. Age Categories will also be determined by the age the competitor turns prior to the commencement of the games on the 8 April 2022.

Category 1 (30 – 34)	Category 2 (35 – 39)	Category 3 (40 – 44)
Category 4 (45 – 49)	Category 5 (50 – 54)	Category 6 (55 – 59)
Category 7 (60 – 64)	Category 8 (65 – 69)	Category 9 (70 – 74)
Category 10 (75 – 79)	Category 11 (80+)	

Teams

Four riders can join together for the Team Category to be eligible for the Teams Award and a prize pool of \$5,000. Riders can be in different age groups and points are calculated across all three disciplines. Winners will be announced at the presentations following the Criterium.

Points are awarded to each rider placing 1 – 8 in their category using the points table below. The team with the most points will win the Team Category.

Points will be allocated by final placings as follows:

1 st = 10 points	2 nd = 8 points	3 rd = 7 points	4 th = 6 points
5 th = 5 points	6 th = 4 points	7 th = 3 points	8 th = 2 points

There will be Teams prizes for the top three placings for a Men's Team, Women's Team and Mixed Team. It will cost you an additional \$20 per team to join. Nominate your team and make payment to the Race Director at the time trial. Team members do not need to do all events to be eligible.

Team Prizes	
First Place	\$800
Second Place	\$560
Third Place	\$300

Rider Sign on

All riders are required to sign on a minimum of 30 minutes before the start time of the rider's race. In the case of the Time Trial, this is 30 minutes prior to the start time of the first rider in each session. Riders who do not present to sign on 30 minutes or more before their race will be considered a non-started and will be removed from the results.

Riders will receive a race pack when signing on for the first time. Race pack will consist of a set of race numbers, a timing tag (if you have not been issued with one previously), cable ties and safety pins. You will use the same race number and timing tag for the entire event.

Additional cable ties will be available at sign on each day if you need them.

Race Numbers

Each competitor will be issued two race numbers. The position of these numbers is critical to correct placing of riders in the results. While we are using a transponder system, we still rely on YOUR number to be easily read. Numbers are to be worn on the MIDDLE LOWER BACK and LEFT HAND FLANK of the body.

'Flat Pin' each corner of the number securely so the pin goes through the number and your jersey TWICE. Make sure when in a riding position your number doesn't fold over or flap. If you need more pins, please ask at the registration desk. You will use the same numbers on Saturday and Sunday. Numbers do not need to be returned at the end of racing.

One centre on back

Timing Tags

Timing will be provided by our friends at Port Adelaide Cycling Club.

Local riders must use their regular timing tag if they have already been issued with one already.

All new and interstate entrants will be issued with a new tag which can be used at any events hosted by Port Adelaide Cycling Club.

The tag must be mounted as horizontally as possible on the lower part of your seat post. Cable ties will be included in your registration pack for this. If you are worried about scratches on your seat post, we recommend you wrap it with electrical tape before the event or bring along bits of inner tube.

DO NOT place your tag in your sock, or jersey pocket – it will not work.

DO NOT wrap your tag around your seat post – it will not work.

DO NOT leave your timing tag on your bike on the roof of your vehicle – it will fall off!

Replacement tags will be issued on race day for a \$10 fee.

Start Lists and Results

Start lists will be published on Thursday evening at <http://results.pacc.org.au/2022/SAMG/StartLists/>

Live timing and results will be available at <http://results.pacc.org.au/2022/SAMG>

Event Regulations

Technical Regulations

Races will be conducted under the rules and regulations of AusCycling and the UCI. For more information on the Rules and Regulations, visit the AusCycling [website](#)

Any rider abandoning the race must notify the finish line officials as soon as reasonably practicable.

Traffic Regulations

The Time Trial is being conducted on a closed road, but local traffic may enter the road. Cyclists must keep to the left hand side of the road except when passing another rider. Under the road rules, riders must keep as far left as reasonably practicable. When passing another rider, it is your responsibility to undertake this safety and not obstruct any other vehicles, leaving a lateral gap of at least one metre. Drafting is not allowed.

The Road Race course is open to the public. Cyclists must obey the road rules and stay as far left as reasonably practicable. All bicycle must have a rear red light visible from a minimum of 200m.

If the driver of the Commissaire or follow-car gives a double beep, the rider must take note of their position on the road, a double beep means, you need to move left and / or a car is passing.

The Criterium is raced on a close circuit.

Failure to obey the road rules, will see the cyclist, disqualified and/ or fined by the Commissaires. They also risk being charged by South Australian Police.

Anti-Doping

All races will be conducted under AusCycling and ASADA regulations.

Testing may be conducted at this event, and it is the responsibility of the rider to ensure they are not required for testing prior to their departure. Doping control facilities will be located close to the finish line each day, if in operation.

Radio Communication

During races in these Games, the use of radio links or any other means of communication with the riders is not permitted.

Radios will only be used between Commissaires and Event Staff.

Neutral Support / Race Convoy

Time Trial: No neutral support will be provided and there will be no convoy for the Time Trial. Commissaire's vehicles will be on course.

Road Race: No neutral support will be provided and there will be no convoy for the Road Race. Commissaire's vehicles, medical assistance and a SAG wagon will be on course. The SAG Wagon will assist riders back to the finish area at the conclusion of the race.

criterium: No neutral support will be provided and there is no convoy for Criterium. A pit area will be identified on the day for spares. Spares will only be available from the pit area and cannot be accessed at any other part of the course.

Neutralisation

Road Race and TT - If for any reason conditions warrant the race will be neutralised. In such circumstances a red flag will be displayed from an official's vehicle (Commissaire or Race Director for example) or at the Start/Finish line.

criterium - Neutralisation will be indicated by a yellow flag and/or whistle, by any Commissaire, and the race will be restarted by the Chief Commissaire at the Start/Finish line, using a whistle. A Red Flag will be displayed if the race is abandoned.

Feeding

No feeding will be available during the TT or Criterium. Static feeding will be available at the Start/Finish line for the Road Race after lap 1.

Urinating & Litter

Riders are advised that it is an offence to urinate in public. Riders must not discard rubbish of any kind on the roadside. Fines apply.

Warming Up

Setting up rollers or marquees on the footpath near the finish side of the Start Finish line is permitted, but must not obstruct the view of officials. Marquees must be tied down with weights and no pegs inserted into the ground. Do not set up in driveways or lean bikes against fences and buildings. Please respect public walkways, local residents and traders.

It is NOT permitted for riders to train or warm up on course once registration is in progress, or while a race is in progress. Riding through the start / finish area when not competing may result in disqualification.

Start Area / Rider Call-ups

Riders must have signed on and present to the staging area 15 minutes before the start of their race where they will be called to the line one by one in the start order.

The Start order will be the order of registration in each category. Bicycles will be inspected in the staging area and riders may not take the start of their bicycle does not comply with the regulations. If a rider is not present or their bicycle is not compliant, they will forfeit their call up position, and may only proceed to the line when they present and / or their bicycle is approved.

Where multiple categories are allocated the same start time in the schedule, riders shall be called up and staged by category. Where categories have insufficient riders to fill a complete start grid, they may be started together in a wave. The gaps between the start waves will be determined by the Chief Commissaire.

Presentations

Presentation ceremonies will be held each day as shown on the schedule. All riders who place 1st to 3rd in their categories are required to be present at presentations. Non-attendance will result in forfeiture of any prizes.

Riders must be presented in their correct attire – the cycling kit worn whilst racing (including cycling shoes). No hats or sunglasses are to be worn. Bottles or other items are to be carried onto the podium.

Event Parking and Access

Time Trial & Road Race

Parking is available around the Start Finish area on the side of the road. Riders or spectators that park near the start / finish line, must park after the finish line and not on approach side of the finish line. Any vehicle wishing to drive in or leave the area must check for races that are finishing before leaving.

Criterion

Parking will be in the side streets surrounding the outside of the Criterion Circuit. No vehicles, except for Emergency Services, are allowed on the circuit, after road closures are in place. Road Closures will be in place from 7am.

COVID-19

The event will be held in accordance with the requirements of South Australia's [Covid-19 Emergency Declarations](#) and Public Activities Direction in place at the time of the event.
